

THE CITY OF SAN DIEGO, CALIFORNIA  
MINUTES FOR REGULAR COUNCIL MEETING  
OF  
MONDAY, JUNE 30, 1997  
AT 2:00 P.M.  
IN THE COUNCIL CHAMBERS - 12TH FLOOR

CHRONOLOGY OF THE MEETING:

The meeting was called to order by Mayor Golding at 2:10 p.m. City Manager Jack McGrory welcomed and honored Metropolitan Wastewater Employees for reducing sewage spills by more than 93%. Mr. McGrory expressed the Wastewater Collection Division has received the distinction of being the best Large Collection Division in the State of California and the work is continuing on the system, and will improve even further. Susan Hamilton, Assistant Director of Metropolitan Wastewater recognized the following employees for their individual achievements: Rick Donahue, Wastewater Utilities Supervisor, named Collection System Person of the year by the State of California based on his innovation and excellence on the job; and Heather Duckett, assistant chemist in the Environmental Monitoring and Technical Services Division, named the Laboratory Person of the Year for her involvement in projects that have advanced the science of laboratory technology. Also, the Department received recognition in engineering achievement for the construction of the Rose Canyon Trunk Sewer and for public education in the areas of water quality. Charles Yackly, Deputy Director of Wastewater Collection Division introduced the following employees who worked diligently towards the City achievement of this Award. Rick Bjorkman, of Sewer Pump Stations and Inspection Program; Justavo Jimenez, of Safety and Training; Richard Burton, of Sewer Main Cleaning; Walter Payne, of Construction and Maintenance; Leonard Moore, of Sewer Televising and Inspection Program; David Grossman, of Engineering Support Services; Michael Giehl, of Food Inspection Program; George Harkleroad, of Electrical Support; and Dwight Smith of Pump Station Maintenance Program.

City Manager Jack McGrory welcomed Marcia McLatchy, Park and Recreation Director who announced July is National Park and Recreation Month. Ms. McLatchy informed Council that this year we are celebrating four distinctive things. In Ocean Beach the celebration of the 50 year old Recreation Center; In Torrey Pines 40 years of the Torrey Pines Golf Course; our Disabled Service Section celebrates 25 years; and Chollas Lake Community Park celebrates its 25th anniversary. Ms. McLatchy acknowledged and recognized the representatives from the four groups: John Hoffman, from the Torrey Pines Golf Advisory Council and Staff

Representative Jennifer Carroll; from Chollas Lake Community Park, Jerry Simpson and Joan Swanson; from Disabled Services, Lila Mehrlust and Roseanna Caldwell; and from Ocean Beach Recreation Council, Judy Ingalls and Rosemary Billburg.

City Manager Jack McGrory also welcomed and introduced Kevin Munnelly of Special Projects who is retiring after over 20 years service with the City. Mr. McGrory expressed his appreciation to Mr. Munnelly in his effort as Endowment Officer and for raising over 50 million dollars for the City of San Diego. Mr. McGrory further expressed what a tremendous job Mr. Munnelly has done and thanked him for his efforts and the legacy he leaves behind. Mayor Golding expressed her appreciation to Mr. Munnelly noting that she has sent many individuals of this City to him who have been engaged in good causes and that Mr. Munnelly has been an incredible source with his tremendous knowledge of grants and endowments.

Mayor Golding adjourned the meeting at 5:20 p.m.

\* ITEM-50:

SUBJECT: Transfer of a Non-Exclusive Agreement from Laidlaw  
Waste Systems, Inc. to Allied Waste Industries.

CITY MANAGER'S RECOMMENDATION:

Introduce the following ordinance:

(O-97-106) INTRODUCED, TO BE ADOPTED ON JULY 14, 1997

Introduction of an Ordinance approving the transfer of  
a Non-Exclusive Franchise Agreement from Laidlaw Waste  
Systems, Inc., to Allied Waste Industries.

CITY MANAGER SUPPORTING INFORMATION:

On December 13, 1996, the City Council enacted Ordinance No. O-18353 which amended the Municipal Code to establish Non-Exclusive Franchises for solid waste haulers and authorized the City Manager to execute Non-Exclusive Franchise Agreements with the City's 17 existing licensed solid waste haulers. Under City Charter Section 103, these franchises can be transferred by an ordinance of the Council. Charter Section 103 states as follows: "For the purpose of this Section, a Council approved transfer shall be required when there is any change in the legal structure of the entity which holds the franchise, which change alters the ownership or control of the entity. Such changes include, but are not necessarily limited to, sale, lease, assignment...." It further states that "Absent Council approval, the franchise shall not be deemed to have been transferred to the new entity."

On January 1, 1997, Allied Waste Industries acquired all assets of Laidlaw, Inc., including its San Diego operations, and subsequently applied to have the franchise transferred to Allied Waste Industries. City staff has reviewed the application and determined that San Diego operations will continue under the name of Laidlaw Waste Systems, Inc., that Allied Waste Industries possesses all the technical and financial requirements to receive a Non-Exclusive Franchise and that the transfer will not have an adverse impact on completion for solid waste hauling services in the City of San Diego.

\* ITEM-100:

SUBJECT: Awarding a Contract to Petar Artukovich Construction  
Company, Inc. for Construction of Sewer and Water Group  
55.

(Uptown, Greater North Park and Mid-City Community  
Areas. District-3.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1238) ADOPTED AS RESOLUTION R-288847

Awarding a contract to Petar Artukovich Construction  
Co. Inc., for construction of Sewer and Water Group 55,  
in the amount of \$1,394,802.50;

Authorizing the expenditure of not to exceed  
\$130,506.50 from Water Revenue Fund 41500, CIP-73-083;

Authorizing the Auditor and Comptroller, upon advice  
from the administering department, to transfer excess  
budgeted funds, if any, to the appropriate reserves.  
(BID-K97071C)

CITY MANAGER SUPPORTING INFORMATION:

On March 17, 1997, pursuant to Resolution R-288442, the City  
Council approved the plans and specifications, and authorized the  
City Manager to execute a contract for the construction of Sewer  
and Water Main Replacement Group Job 55 with the lowest  
responsible bidder. The project was advertised on February 27,  
1997 and had a bid opening on April 10, 1997; five bids were  
received. The project was advertised for construction with an

Awarding exclusive rights for Stadium Parking Lot events to the following: Brubaker & Associates to conduct recreational vehicle sales; Toland Marketing, Inc. to conduct used car sales; and San Diego Stadium Auto Swap to conduct auto swap meets.

CONSENT MOTION BY McCARTY TO CONTINUE THIS ITEM TO JULY 14, 1997 TO REVIEW THE PROCESS OF USED CAR SALES AT THE QUALCOMM STADIUM. Second by Warden. Passed by the following vote: Mathis-yea, Wear-yea, Kehoe-yea, Stevens-yea, Warden-yea, Stallings-yea, McCarty-yea, Vargas-yea, Mayor Golding-yea.

\* ITEM-102:

SUBJECT: Lot Line Adjustment and Easement Abandonments - Parcel Map W.O. No. 97-079.

(University Community Area. District-1.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1440) ADOPTED AS RESOLUTION R-288848

Approving Parcel Map W.O. No. 97-079

CITY MANAGER SUPPORTING INFORMATION:

La Jolla Spectrum Partners are developing and redesigning this site as a research facility. A lot line adjustment parcel map is being used to change the location of some existing lot lines. Lot line adjustment maps normally do not require Council approval. This map requires City Council approval because existing sewer and water easements held by the City are being abandoned on the map. New easements for sewer and water facilities, and a general utility and access easement are being granted on the map to meet current project requirements. All proposed changes are consistent with the previously approved

permits and entitlements. They were granted without cost to the City and all costs of this action are paid for by the applicant.

\* ITEM-103:

SUBJECT: Three actions related to the Final Subdivision Map of  
Carmel Mountain Ranch Unit 23A-1.

(A 4-lot subdivision. Carmel Mountain Ranch Community  
Area. District-5.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolutions:

Subitem-A: (R-97-1408) ADOPTED AS RESOLUTION R-288849

Authorizing a Subdivision Improvement Agreement with  
Carmel Mountain Ranch, for the installation and  
completion of public improvements.

Subitem-B: (R-97-1407) ADOPTED AS RESOLUTION R-288841

Approving the final map.

Subitem-C: (R-97-1409) ADOPTED AS RESOLUTION R-288850

Accepting a grant deed of Carmel Mountain Ranch,  
granting to the City Lot 3 of Carmel Mountain Ranch  
Unit 23A-1.

CITY MANAGER SUPPORTING INFORMATION:

This map proposes the subdivision of a 42.085 acre site into 4 lots for residential development. It is located south of Ted Williams Parkway between Rancho Carmel Drive and Shoal Creek Drive in the Carmel Mountain Ranch Community Plan Area. On July 18, 1996 the Planning Commission of the City of San Diego approved Planned Residential Development Permit PRD-87-1082 for Carmel Mountain Ranch Unit 23. The City Engineer has approved the final map and states that all conditions of the Tentative Map have been satisfied. The public improvements required for this subdivision are shown in detail on Drawing Nos. 28432-1-D through 28432-9-D, filed in the Office of the City Clerk under Micro Number 139.37. All improvements are to be completed within two years. The Engineer's estimate for the cost of public improvements is \$518,925 and a Performance Bond in that amount has been provided as surety. A cash bond in the amount of \$5,400, as determined by the surveyor's estimate, has been posted as surety for the setting of survey monuments. This subdivision is located in the Carmel Mountain Ranch Facilities Benefit Assessment (FBA) District, which provides for the payment of FBA (including parks), at the time of building permit issuance. This community may be subject to impact fees, as established by the City Council, at the time of issuance of building permits. Development on any property within this map shall pay the fees as set by the City Council and in effect in the community at the time of building permit issuance. Fees will be paid at the time the building permit is issued. Subdivider, by letter, has given assurance to the City of San Diego that he subscribes to the Affirmative Marketing Program as shown in the "Memorandum of Understanding between the San Diego Building Industry Association and U.S. Department of Housing and Urban Development."

SUBJECT: Two actions related to the Final Subdivision Map of Meadowbrook at Scripps Ranch North.

(A 77-lot subdivision. Miramar Ranch North Community Area. District-5.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolutions:

Subitem-A: (R-97-1411) ADOPTED AS RESOLUTION R-288851

Authorizing a Subdivision Improvement Agreement with UDC Homes, Inc., for the installation and completion of public improvements.

Subitem-B: (R-97-1410) ADOPTED AS RESOLUTION R-288852

Approving the final map.

CITY MANAGER SUPPORTING INFORMATION:

On December 5, 1996 the Planning Commission of the City of San Diego approved Tentative Subdivision Map/Planned Residential Development Permit TM/PRD-96-0325 for Benicia at Scripps Ranch North (now known as Meadowbrook at Scripps Ranch North). The public improvements required for this subdivision are shown in detail on Drawing Nos. 28589-1-D through 28589-8-D, filed in the Office of the City Clerk under Micro Number 139.35. All improvements are to be completed within two years. The Engineer's estimate for the cost of public improvements is \$538,036 and a Performance Bond in that amount has been provided as surety. A cash bond in the amount of \$4,210, as determined by the surveyor's estimate, has been posted as surety for the setting of survey monuments. This subdivision is located in the Miramar Ranch North Facilities Benefit Assessment (FBA) District, which provides for the payment of FBA (including parks), at the time of building permit issuance. This community may be subject to impact fees, as established by the City Council, at the time of issuance of building permits. Development on any property within this map shall pay the fees as set by the City Council and in effect in the community at the time of building permit issuance.

Fees will be paid at the time the building permit is issued. \* ITEM-105:

SUBJECT: Drainage Easement Abandonment - Parcel 1 of Parcel Map  
PM-17846.

(Otay Mesa Community Area. District-8.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1416) ADOPTED AS RESOLUTION R-288853

Vacating the City's interest in a drainage easement in  
a portion of Parcel 1 of Parcel Map PM-17846.

CITY MANAGER SUPPORTING INFORMATION:

This easement was granted on Lot 21 of Map-12305 (Brown Field Business Park Unit No. 2). The lot was never developed. A new lot consolidation parcel map was recorded (Parcel Map PM-17846), combining old Lots 19, 20 and 21 into two parcels. A new 15 foot

wide drainage easement was granted on this parcel map in a different location. The old drainage easement is no longer needed and is located in the middle of one of the new parcels hindering development. This easement was acquired at no cost to the City and the cost of this abandonment was paid for by the applicant.

\* ITEM-106:

SUBJECT: Drainage Easement - San Diego County Flood Control  
District - Lakeside.

(Lakeside Community Area.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1206) ADOPTED AS RESOLUTION R-288854

Authorizing the execution of a deed conveying to San  
Diego County Flood Control District an easement across  
Lot 2 of Riverview Farms in Lakeside for an eight-foot  
wide storm drain channel.

CITY MANAGER SUPPORTING INFORMATION:

San Diego County Flood Control District (County) has been coordinating the design of a traffic signal and drainage improvements at the intersection of Woodside Avenue and Marilla Drive located in Lakeside, on Lot 2 of Riverview Farms. In order to install the drainage improvements, the County requires an easement grant from the City. The size of the proposed easement is approximately 1,480 square feet. The County will construct an

eight-foot wide storm drain channel across City property and protect the existing El Monte Water Supply and other pipe lines. This is a minor surface improvement that will protect the water pipelines. The Water Utilities Department has reviewed and approved this easement request.

\* ITEM-107:

SUBJECT: Two actions related to Street Dedication - Hollister Street.

(Otay Mesa Nestor Community Area. District-8.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolutions:

Subitem-A: (R-97-1387) ADOPTED AS RESOLUTION R-288855

Accepting a grant deed of Justino O. Alarcon and Catalina M. Alarcon, granting to the City an easement for public street purposes in the easterly nine feet of that portion of the South Half of the Northeast Quarter of the Northeast Quarter of the Northeast Quarter of Section 28, Township 18 South, Range 2 West, San Bernardino Meridian;

Dedicating and naming the same Hollister Street.

Subitem-B: (R-97-1388) ADOPTED AS RESOLUTION R-288856

Authorizing the City Manager or designee to enter into a Joint Use Agreement with San Diego Gas & Electric Company.

CITY MANAGER SUPPORTING INFORMATION:

This action accepts the dedication of a 9 foot strip of land on the south side of Hollister Street between Palm Avenue and Elm Avenue for public street purposes. The dedication and improvements were a requirement of a building permit (No.A-9027-91) issued for a warehouse at 780 Hollister Street. Permit Performance Bond No. 005001795 was posted in the amount of \$36,564 to insure the completion of the improvements. The improvements have been completed and the street dedication to widen Hollister Street needs to be processed through to recordation before the bond can be released and the project closed out.

SUBJECT: Street Dedication - Dunham Way.

(Carmel Valley Community Area. District-1.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1386) ADOPTED AS RESOLUTION R-288857

Accepting a grant deed of Larry L. Moore and Tracey L. Moore, granting to the City an easement for public street purposes in a portion of the Southeast Quarter of Section 17, Township 14 South, Range 3 West, San Bernardino Meridian;

Dedicating the easement area as and for a public street and naming the same Dunham Way.

CITY MANAGER SUPPORTING INFORMATION:

This action will accept the dedication of a 26 foot strip of land to widen Dunham Way for public street purposes. A building permit was issued and a single family residence has been constructed at 4625 Dunham Way. This street dedication was a condition of the building permit (Plan File No. A-106179-95) which also required street improvements to Dunham Way including curbs, gutters, sidewalks, A.C. paving and installation of an 8" water main, as shown on drawing Nos. 28055-D(1-2).

\* ITEM-110:

SUBJECT: Grant from MTDB for Downtown Traffic Signal  
Improvements.

(Centre City Community Area. Districts-2 and 8.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1360) ADOPTED AS RESOLUTION R-288859

Authorizing the City Manager to accept and expend a  
grant of \$100,000 from the Metropolitan Transit  
Development Board, for Traffic Signal Improvements in  
the Downtown area;

Authorizing the City Auditor and Comptroller to  
transfer and expend an amount not to exceed \$100,000 to  
CIP-68-103.7, TS System from Cedar to Market Street and  
7th to 16th;

Authorizing the Auditor and Comptroller, upon advice  
from the administering department, to transfer excess  
budgeted funds to the appropriate revenue reserves  
provided that the City Auditor first furnishes a  
certificate demonstrating that the funds necessary for  
such expenditures are, or will be, on deposit in the  
City Treasury.

CITY MANAGER SUPPORTING INFORMATION:

The City of San Diego is in the third year of a long term project to upgrade all the traffic signals in the Downtown area. These upgrades include installation of mast arms, larger signal heads, and pedestrian indications. Each year a number of intersections are programmed for improvements, depending on available funding. It is estimated that the entire project will take approximately eight years.

The Metropolitan Transit Development Board (MTDB) requested that the City expedite improvements along the C Street and Twelfth Avenue corridors, in order to improve the safety along the trolley line.

MTDB agreed to contribute up to \$100,000 towards the cost of these improvements, including design, equipment, and construction costs, with the City to contribute \$25,000 in matching funds. Accordingly, these locations were included in Phase 3 of the Downtown Upgrade, which is currently under construction.

The following intersections are to be upgraded:

Front Street & C Street  
First Avenue & C Street

SUBJECT: San Diego Safe Communities Grant Application.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1368) ADOPTED AS RESOLUTION R-288860

Authorizing the City Manager to apply for, accept and  
expend a grant from the California Office of Traffic  
Safety (OTS), in cooperation with the California  
Department of Health and Human Service (DHHS) and the  
National Highway Traffic Safety Administration (NHTSA),  
titled "San Diego Safe Communities," to develop and  
implement a comprehensive coalition, needs and resource  
assessment, and strategic plan for the prevention of  
fatal and injury accidents related to traffic,  
industrial, home, school, and other causes.

CITY MANAGER SUPPORTING INFORMATION:

The California Office of Traffic Safety (OTS), the National  
Highway Traffic Safety Administration (NHTSA), and the California  
Department of Health Services have developed a grant program  
called "Safe Communities" for the purpose of implementing a  
comprehensive regional coalition to develop a needs and resource  
assessment and strategic plan for the prevention of fatal and  
injury accidents related to traffic, industrial, home, school,  
and other causes. Since 1992 the City has acted as applicant,  
fiscal agent and manager for the OTS Grant-Funded Program Buckle  
Up San Diego, for the purpose of reducing vehicular injuries and

fatalities through the proper use of adult and child/infant safety restraint systems. Buckle Up staff have developed important knowledge, skills, contacts and resources throughout government, human services, and private industry through this program. A broader interest in safety issues was a natural outgrowth of the Buckle Up Program. Buckle Up staff submitted a Safe Communities proposal on behalf of the City to organize a coalition of community and government agencies; business groups; hospitals, trauma centers, medical services; child and elder care providers; schools; military; neighborhood councils; and other entities.

In order to ensure the most efficient and cost effective Safe Communities Program, under the advice of the various granting agencies, the program is an added objective of the Buckle Up Program. Buckle Up was notified of proposal funding in April 1997. This new objective will be processed as an amendment to the original agreement with Buckle Up San Diego staff. The grant provides \$33,000 for a fifteen month period for the above purposes.

SUBJECT: Certified Local Government (CLG) Grant Application.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1394) ADOPTED AS RESOLUTION R-288842

Authorizing the City Manager to file an application for  
the National Historic Preservation Grants-in-Aid

Program, for a \$25,000 project, in which 60 percent (\$15,000) would come from the Office of Historic Preservation for dedicated personnel to complete date research, entry and quality control for the City's designated historic sites, Geographic Information System (GIS) layer and ARCVIEW application. This task will facilitate historic preservation goals, while aiding public awareness, cultural tourism and future development. The City's 40 percent matching requirement (\$10,000) is proposed to be the form of equivalent in-kind services of existing personnel for supervision and support;

Authorizing the City Manager or designated representative to accept and expend funds if the grant is awarded.

CITY MANAGER SUPPORTING INFORMATION:

The Certified Local Government (CLG) status conferred on the City of San Diego by the State of California offers access to grant monies for historical preservation. The requirements for these grant applications include City Council resolutions indicating concurrence with any applications. All CLG grants required 40 percent matching funds or in-kind services from the City of San Diego.

The matching funds and services are described below. The Historical Site Board has identified the following grant for which they would like to apply:

SUBJECT: Enterprise Zone Water Conservation Business Incentive Program.

(Barrio Logan/Harbor Community Area. District-8.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1255) ADOPTED AS RESOLUTION R-288861

Authorizing the City Manager to establish an Enterprise Zone Water Conservation Incentive Program;

Authorizing the City Manager to enter into and execute agreements with participants of the Enterprise Zone Water Conservation Business Incentive Program;

Authorizing the Auditor and Comptroller to transfer \$700,000 within the Water Operating Fund 41500 from the Unallocated Reserve (Program Element 76226, Object Account 4903) to the Commercial/Industrial Water Conservation Program (Program Element 76254, Object Account 4222);

Authorizing the expenditure of not to exceed \$700,000 from the Water Department Operating Fund 41500, for the sole and exclusive purpose of implementing the Enterprise Zone Water Conservation Business Incentive Program.

CITY MANAGER SUPPORTING INFORMATION:

This action requests funding for the implementation of the Enterprise Zone Water Conservation Business Incentive Program. The action also authorizes the City Manager to enter into agreements with participants of the Enterprise Zone Water Conservation Business Incentive Program. In September 1991, the City Council adopted a resolution to become an original signatory to the Memorandum of Understanding (MOU) Regarding Urban Water Conservation in California. The MOU contains sixteen Best Management Practices (BMP's) that are proven long-term water conservation measures which have become statewide standards. The

goal of the Financial Incentives BMP is to offer incentives to facilitate implementation of conservation programs. The City's Ultra-Low Flush Toilet Rebate Program is an example of this BMP. The Enterprise Zone Water Conservation Business Incentive Program will provide a similar financial benefit to City water customers who make extraordinary efforts to conserve water by utilizing seawater instead of potable water, and are located in designated Enterprise Zones. Under this Program, the City may reimburse to a business the cost of implementing seawater conservation technologies that reduce the consumption of potable water, so long as: 1) the cost per acre-foot saved is less than the current rate of imported water; 2) the amount of the incentive provided does not exceed the present value of the amount saved by the City in potable imported water costs over a five year period; 3) the water conservation technologies were implemented on or after January 1, 1991; 4) the company is located in an Enterprise Zone; and 5) the financial incentive does not exceed \$700,000.

SUBJECT: Dairy Mart Road and Bridge - Right-of-Way Acquisition.

(Tijuana River Valley Community Area. District-8.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1396) ADOPTED AS RESOLUTION R-288862

Authorizing the City Auditor and Comptroller to expend  
\$65,000 from Fund No. 41509, CIP-45-923.0, Dairy Mart

Road and Bridge Improvements, for the acquisition of property rights and related costs, provided that the City Auditor first furnishes a certificate demonstrating that the funds necessary under established contract funding phases are, or will be on deposit in the City Treasury;

Authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves.

CITY MANAGER SUPPORTING INFORMATION:

This action provides for the acquisition of property rights necessary for the construction of the Dairy Mart Road and Bridge Improvements CIP-45-923.0. The project will replace the existing substandard Dairy Mart Road and bridge with a new road and bridge alignment providing "all weather" access to the South Bay Water Reclamation Plant, the International Boundary and Water Commission Plant (IBWC), and other property owners on the south side of the Tijuana River Valley. Right-of-way for the project is required from five property owners.

The IBWC, one of the five property owners involved, is granting the City the majority of the right-of-way necessary for the project, at no cost, in exchange for mutual benefits to be derived by the City and the IBWC.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1247)      ADOPTED AS RESOLUTION R-288863

Authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$59,837 within Water Revenue Fund 41500, from CIP-73-083, "Annual Allocation - Water Main Replacements" to CIP-73-024.0, "Annual Allocation Freeway Relocation;"

Authorizing the expenditure of an amount not to exceed \$59,837 from Water Revenue Fund No. 41500, CIP-73-024, "Annual Allocation - Freeway Relocation," provided that the City Auditor and Comptroller first furnishes a certificate demonstrating that the funds necessary for the expenditure, are, or will be on deposit in the City Treasury;

Authorizing the City Auditor and Comptroller, upon advice from the Administering Department to transfer any excess funds to the appropriate reserve.

CITY MANAGER SUPPORTING INFORMATION:

In October 1995, the Council approved (RR-286368) the first amendment to the agreement with the San Diego County Water Authority (CWA) for the purchase of a portion of the City's Paradise Mesa Crosstie Pipeline in Spring Valley. Under this agreement (Section E.3), the San Diego County Water Authority agreed to reimburse the City for all engineering and construction costs relating to the improvement of this pipeline required by the State Department of Transportation's SR-125 project. In February 1996, the Council approved (RR-286918) Utility Agreement No. 29490 with the State Department of Transportation for the construction of the improvements to the pipeline. During the State's construction of the project, CWA requested that additional work be performed to the pipeline. This included additional City engineering, City Forces activities, and work by the State Contractor.

(Greater Golden Hill Community Area. District-8.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1435) ADOPTED AS RESOLUTION R-288864

Authorizing the City Auditor and Comptroller to  
transfer an amount not to exceed \$120,653 from the  
Housing and Urban Development Section 108 Loan, Fund  
No. 18512 to CIP-33-082.0, Reconstruction of Fire

Authorizing the expenditure of an amount not to exceed  
\$120,653 from Fund No. 18512, CIP-33-082.0,  
Reconstruction of Fire Station No. 11 for providing  
construction contingency funds for the above project,  
for City Forces to perform engineering and contract  
administration services, and for equipment essential to  
the operation of the station.

CITY MANAGER SUPPORTING INFORMATION:

The Fire Station #11 Project consists of the demolition of the existing Fire Station and the design and construction of the new Fire Station located at 945 25th Street. The new facility will be approximately 6,500 square feet, and has a construction budget that includes site work and demolition costs. Due to requests from the Fire Department, additional work items were added to the scope of the project to provide the surrounding community with more efficient and effective services. In addition, construction revisions were made to improve structural soundness of the building, and to satisfy requirements of the Uniform Building Code.

SUBJECT: Truck Prohibition on Palomino Circle and Desert View Drive.

(La Jolla Community Area. District-1.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1359) ADOPTED AS RESOLUTION R-288866

Prohibiting commercial vehicles with a gross vehicle weight rating of 2,000 pounds or more from operating on Desert View Drive and the section of Palomino Circle north of Soledad Mountain Road;

Excluding passenger buses, public utility vehicles under the jurisdiction of the Public Utility Commission, and commercial vehicles having a destination or point of origin on such streets from the prohibition;

Authorizing the installation of the necessary signs and marking; the regulations imposed shall become effective upon the installation of the signs.

CITY MANAGER SUPPORTING INFORMATION:

This action prohibits commercial vehicles with a rated capacity of one ton or more from using Palomino Circle and Desert View Drive. The prohibition is recommended due to unstable hillsides in the area. By law, passenger buses, public utility vehicles, and commercial vehicles with an origin or destination on the affected streets are exempt from this provision.

SUBJECT: Establishing a Two-hour Parking Time Limit on Crosby Street.

(Barrio Logan Community Area. District-2.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1362) ADOPTED AS RESOLUTION R-288867

Establishing a parking time limit of two hours between the hours of 8:00 a.m. and 6:00 p.m., Sundays and

certain holidays excepted, on the north side of 1100  
Crosby Street, between Newton Avenue and Main Street;

Authorizing the installation of the necessary signs and  
markings; the regulations imposed shall become  
effective upon the installation of the signs.

CITY MANAGER SUPPORTING INFORMATION:

Due to the needs of the surrounding businesses, the property  
owner representing 100% of the abutting property has signed a  
petition requesting the installation of a two hour parking zone  
to be installed on the north side of Crosby Street. The business  
owners expect that this change will improve the ability of their  
customers to access the businesses. Parking enforcement is  
customarily provided in this area, and there are other similar  
restrictions on the adjacent streets.

(Carmel Valley Community Area. District-1.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1434) ADOPTED AS RESOLUTION R-288868

Establishing a parking time limit of two hours between  
the hours of 8:00 a.m. and 4:00 p.m., Saturday, Sundays  
and certain holidays excepted, on both sides of the  
following streets:

Phase 1: High Bluff Drive, from Del Mar Heights Road to Half Mile Drive; Wyndhaven Drive; Long Run Drive; Half Mile Drive, from El Camino Real to High Bluff Drive; Quarter Mile Drive, from El Camino Real to High Bluff Drive; Lower Ridge Road, from High Bluff Drive to Windbreak Road; Maritime Place, from Lower Ridge Road to northerly terminus; Walking Path Place; Seahorn Circle; Candela Place; Kinsella Point; Fallon Circle;

Phase 2: Lower Ridge Road, from Windbreak Road to Lady Hill Road; Windbreak Road; Lady Hill Road; Maritime Place, from Voyager Circle to Lower Ridge Road; Janetta Place; Overpark Road; Milcroft Court; Ocean Vista Road; Foxgrove Place; Landfair Road; Roxton Circle;

Phase 3: Windbreak Court; Survey Point; Maricotte Place; Jacarte Court; Cortland Terrace; Landfair Court; Windswept Terrace; Newcrest Point; Pantera Road; Pantera Way; Santoro Way; Denara Road and Grandvia Point;

Waiving the minimum 75 percent curb occupancy requirement of Council Policy 200-04;

Implementing Phase 1 upon adoption of the Council resolution;

Implementing Phases 2 and 3 within three months of adoption of the Council resolution, if requested by the Del Mar Highlands Neighborhood Homeowners' Association due to impacts of commuter parking;

Authorizing the installation of the necessary signs and markings; the regulations imposed shall become effective upon the installation of the signs.

CITY MANAGER SUPPORTING INFORMATION:

This action authorizes the establishment of a two-hour time limit parking zone on 36 street segments throughout the Del Mar Highlands neighborhood. The Del Mar Highlands Neighborhood Homeowners' Association requested this action due to commuter parking on residential streets. Recent parking studies revealed an average curb occupancy of 44 percent to 67 percent in the

study areas, with an average duration of 3.97 to 7.04 hours per vehicle, and a turnover rate of 0.789 to 1.240 vehicles per parking space for the 10-hour study. This represents a significant commuter parking impact on these residential streets. Therefore, in accordance with Municipal Code Section 86.04, time limit parking is recommended in this area. The implementation of the time limit restrictions will be phased at the request of the Homeowners' Association.

Authorizing the expenditure of not to exceed \$250,000  
from CIP-52-517.0, Carmel Valley Road - 300 feet east  
of Portofino to Del Mar City Limits, of which \$250,000  
is in TransNet Fund 30300.

CITY MANAGER SUPPORTING INFORMATION:

The 1997 CIP provides for the design for CIP Project No. 52-517.0 entitled "Carmel Valley Road - 300 feet to Portofino Drive to Del Mar". The Consultant Agreement will provide for the preliminary engineering of alternatives to improve Carmel Valley Road as well as an environmental assessment of the alternatives. In accordance with Council Policy 300-7 and A.R. 25.60, the Consultant Coordinator provided the names of five firms from the "As-Needed" list for consideration. The five firms were interviewed and BRW, Inc. was recommended to provide the professional services for the preliminary engineering and environmental assessment for the Carmel Valley Road Project.

of State Route 56 from Carmel Country Road to Black  
Mountain Road.

CITY MANAGER SUPPORTING INFORMATION:

When constructed, State Route 56 will connect Interstates 5 and 15 through the North City Future Urbanizing Area. Preliminary design work has been completed in conjunction with the preparation of the Environmental Impact Report, and a final alignment for the freeway will be determined as a result of the environmental review process. Council previously authorized the City to begin the final design process for State Route 56 by contracting with Boyle Engineering (Resolution No. R-287411, dated May 28, 1996). This new Cooperative Agreement with CalTrans will enable CalTrans to allocate staff time for review and oversight of the design process.

Authorizing the Auditor and Comptroller to transfer not to exceed \$125,000 within Sewer Fund No. 41508, from CIP-46-179.0, Point Loma - Power Generation and Distribution Upgrade, to CIP-46-176.0, Point Loma - Water Tank and Pipeline Project;

Authorizing the expenditure of not to exceed \$125,000 from Sewer Fund No. 41508, CIP-46-176.0, Point Loma - Water Tank and Pipeline Project.

CITY MANAGER SUPPORTING INFORMATION:

On November 28, 1994, the City Council approved the agreement between the City and the Corrao-Brady Group to provide design and construction services for the Point Loma - Water Tank and Pipeline Project. The agreement was amended July 20, 1995, with a no cost amendment to modify the scope of work. This request is for the approval of Amendment No. 2 to the Agreement which includes additional services required during the remaining period of construction of two water tanks and a pipeline. Additional services during construction include review of requests for information and substitutions, review of contractor submittals, and design services for unforeseen changes during the remainder of construction. Project related costs consist of the building permit fee and installation of two 6-inch water meters.

Authorizing a Joint Powers Agreement with the California Department of Corrections (CDC), to fund improvements to the Otay Mesa Road Widening Project, CIP-52-619.0;

Authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$472,872 from the California Department of Corrections to Fund No. 38951, CIP-52-619.0;

Authorizing the expenditure of not to exceed \$472,872 from CIP-52-619.0, Otay Mesa Road Widening Project, Fund No. 38951, contingent upon the receipt of the signed program supplement.

CITY MANAGER SUPPORTING INFORMATION:

The California Department of Corrections (CDC) plans to add facilities for an additional 924 inmates at the Richard J. Donovan Correctional Facility on Otay Mesa. Because this increase in inmate housing will have impacts to Otay Mesa Road, the CDC has agreed to contribute \$472,872 on a one-time lump-sum basis for improvements to Otay Mesa Road. This Joint Powers Agreement will add the CDC's contribution of \$472,872 to CIP-52-619.0 (Otay Mesa Road Widening).

Management System - Phase A;

Authorizing the expenditure of not to exceed  
\$462,453 from Fund No. 41506, CIP-46-190.0, Brine  
Management System.

CITY MANAGER SUPPORTING INFORMATION:

On November 6, 1995, the City Council approved the agreement between the City and Earth Tech, Inc., (Barrett Consulting Group, Inc.) to provide design services for the Brine Management System (R-286540). This amendment is requested to incorporate design services for Phase A of the Brine Management System. The Brine Management System will collect discharge brine from the major industries in Rancho Bernardo and direct them to Pump Station 77 by means of a gravity collection system. An additional underground pump station and force main will transmit the brines to the Hale Avenue Resource Recovery Facility (HARRF) in Escondido. The force main will connect downstream of the HARRF, directly into the outfall, reducing the amount of effluent treated at HARRF.

Scope of work includes: Design Services for Phase A - the gravity portion of the Brine Management System (the Pump Station and Force Main portions of this project will be a separate phase). Accelerating design and construction of this gravity portion will allow additional capacity and therefore industry expansion. This amendment also includes \$75,000 for additional services work. Additional services work will only be performed when authorized by the City.

ITEM-126:

SUBJECT: Participation Agreement for the Design and Construction  
of the South San Diego Pipeline No. 2 - Phase I-B.  
(Otay Mesa-Nestor Community Area. District-8.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1433) ADOPTED AS RESOLUTION R-288874

Authorizing the City Manager to execute the  
commencement of Phase I-B of the participation  
agreement with TMP Homes, Inc., for completion of the  
alignment study of the South San Diego Pipeline No. 2;

Authorizing the Auditor and Comptroller to transfer not  
to exceed \$338,494 from Water Fund 41500, Unallocated  
Reserve (Program Element 76226, Object Account 4903) to  
CIP-73-249.0;

Authorizing the expenditure of not to exceed \$338,494  
from Water Reserve Fund 41500, CIP-73-249.0.

CITY MANAGER SUPPORTING INFORMATION:

On February 25, 1997, \$206,000 was approved for the funding of Phase I-A, Document No. RR-288361. This request is for the funding approval of Phase I-B. TMP Homes, Inc., a California Corporation, is a partner in the ownership of the Remington Hills Development Project located in the Otay Mesa area of the City of San Diego. A second water pipeline is needed to provide the South San Diego and Otay Mesa areas with a redundant supply of potable water. This participation agreement will provide funding for the design and construction of the needed water improvements in three phases as follows: Phase I-A commenced a study for up to four alternative pipeline alignments; Phase I-B will finalize the alignment study;

Phase II will involve design and development of the final alignment; Phase III will encompass construction of the second water transmission pipeline between the South San Diego Reservoir and Palm Avenue adjacent to Interstate 805.

These public water system improvements are necessary and are for the benefit of the City as a whole. Final payment for the Phase III improvements shall be made upon the City's acceptance of the completed project and submission of the original mylar as-built drawings.

ITEM-127:

SUBJECT: Contract Termination of Water and Sewer Replacement -  
Desert View Drive.

(La Jolla Community Area. District-1.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1413) ADOPTED AS RESOLUTION R-288875

Authorizing the City Manager to terminate the contract with Pro-Civil Engineering, Inc., for construction of Water and Sewer Replacement, Desert View Drive, CIP-44-302.6, CIP-73-834.8, Bid No. K96064, W.O. Nos. 171061/180681;

Authorizing the expenditure of not to exceed \$134,841 from Fund No. 41506, CIP-44-001.0, Annual Allocation, Sewer Main Replacement, for final closeout payment to the contractor.

CITY MANAGER SUPPORTING INFORMATION:

A construction contract was awarded to Pro-Civil Engineering, Inc. (Contractor), on May 21, 1996 for the construction of Water and Sewer Replacement, Desert View Drive. The original contract amount is \$353,049.21. Approximately 42 percent of the original contract work is complete. The project includes a deep (approximately 20 feet) sewer main installation in special geotechnical conditions as described in the contract documents. During excavation of the sewer main, City staff observed unsafe trenching operations and determined there was a need to improve the trenching operation and site safety. Therefore, the City issued a stop work order on March 18, 1997. On March 19, 1997, City staff and Pro-Civil Engineering met to discuss whether the Contractor could proceed with the work in a safe and efficient manner. Because this could not be resolved, City staff and Pro-Civil Engineering mutually agreed to terminate the contract in accordance with Section 6-5, Termination of Contract, of the Standard Specifications for Public Works Construction (Greenbook).

Staff recommends termination of the contract. Staff is discussing with another contractor the completion of the project in which the safest method possible will be used to complete the project. It is expected work will be complete in the fall of this year.

SUBJECT: First Amendment to the Agreement with Strongly Oriented for Action (SOFA).

(La Jolla Community Area. District-1.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1373) ADOPTED AS RESOLUTION R-288876

Authorizing a first amendment to the agreement with Strongly Oriented for Action (SOFA), for the design and renovation of its facility located at 7410 and 7412 Cuvier Street, La Jolla;

Authorizing the expenditure of not to exceed \$138,000 from CDBG Fund No. 18532, Dept. No. 4112, Org. 1231, J.O. No. 112553.

CITY MANAGER SUPPORTING INFORMATION:

Strongly Oriented for Action (SOFA) is a non-profit organization established to meet the educational, child development, housing, and emergency needs of low income families and seniors in the north coast area of San Diego. On March 20, 1995, the City Council authorized an agreement with SOFA spending \$85,000 of CDBG Grant Funds of Fiscal Year 1995 for the renovation of its eight townhouse units located at 7410 and 7412 Cuvier Street, La Jolla, CA 92037. This action will allow \$138,000 of Fiscal Year 1997 CDBG Funds granted to SOFA by Resolution No. RR-287238 for the additional renovation of the aforementioned eight townhouse units. The renovation shall consist of replacement of a fence; remodeling a laundry room and storage room; upgrading lighting; installation of new door and window screens; tiles, low flush toilets, sinks, showers, bathtubs, garbage disposals, vanities, mirrors and vertical blinds; improving landscape and sprinkler systems, and removal of trees.

SUBJECT: Change Order No. 5 with Schlumberger Industries, Inc.  
for the Reclaimed Water Distribution System.

(University, Mira Mesa, Scripps Miramar Ranch, and  
Miramar Ranch North Community Areas.  
Districts-1 & 5.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1424) ADOPTED AS RESOLUTION R-288877

Approving Change Order No. 5, with Schlumberger Industries, Inc., for the Reclaimed Water Distribution System, decreasing the contract price by \$1,042,000;

Authorizing the Auditor and Comptroller to transfer the following amounts from Fund No. 41500, CIP-70-918.0, Scripps Ranch Blvd/I-5 Subsystem:

1. \$500,000 to Fund No. 41500, CIP-70-916.0, Miramar Road Subsystem Extension
2. \$542,000 to Fund No. 41500, CIP-70-912.0, Miramar Road Subsystem

Authorizing the expenditure of the following amounts:

1. An amount not to exceed \$500,000 from Fund No. 41500, CIP-70-916.0, Miramar Road Subsystem Extension, to provide additional funds for contingency and related costs, provided that the City Auditor first furnishes certificates that funds necessary for expenditure are, or will be, on deposit in the City Treasury;
2. An amount not to exceed \$542,000 from Fund No. 41500, CIP-70-912.0, Miramar Road Subsystem, to provide additional funds for contingency and related costs, provided that the City Auditor first furnishes certificates that funds necessary for expenditure are, or will be, on deposit in the City Treasury;
3. An amount not to exceed \$300,000 from Fund No. 41500, CIP-70-942.0, Annual Allocation - Reclaimed Water Pooled Contingency, to provide additional contingency for CIP-70-918.0, Scripps Ranch Blvd/I-15 Subsystem, provided that the City Auditor first furnishes certificates that funds necessary for expenditure are, or will be, on deposit in the City Treasury;

Authorizing the Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves.

CITY MANAGER SUPPORTING INFORMATION:

By City Manager Action C-07159, dated June 25, 1996, the City Manager authorized the execution of a construction contract with the lowest responsible bidder, Schlumberger Industries for the amount of \$5,566,339, for the construction of the Scripps Ranch Blvd/I-15 Subsystem. The original construction contract included a line item for an amount of \$1,042,000 for street slurry seal. Change Order No. 5 will deduct this line item from the contract, since street slurry seal for the project will be done under a separate contract by the City's Street Division. In addition, authorization is requested to increase contingencies for Miramar Road Subsystem Extension, Miramar Road Subsystem and Scripps Blvd/I-15 Subsystem projects for funding several construction change orders due to unforeseen conditions and additional scope of work. These projects are included in the Interim Order issued by the U.S. Federal Court.

CITY MANAGER SUPPORTING INFORMATION:

Each year, the month of July is recognized nationally as "Park and Recreation Month." This action will designate July 1997 as "Park and Recreation Month" within the City of San Diego. The City of San Diego, Park and Recreation Department, is celebrating several major milestone anniversaries of public recreation facilities and programs in 1997. Both the Disabled Services Program and Chollas Lake Community Park turn 25 this year. 1997 also marks the 40th anniversary of Torrey Pines Golf Course and the 50th year of the Ocean Beach Recreation Center. In addition, special events focused around the annual "Celebrate the Family" theme will be held at most recreation centers Citywide.

SUBJECT: Recognition of the Del Mar Mesa Community Planning  
Board.

(North City Future Urbanizing Area (Subarea V).  
District-1.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1395) ADOPTED AS RESOLUTION R-288884

Recognizing a Community Planning Committee for Subarea  
V of the Future Urbanizing Area (Del Mar Mesa) by  
approval of bylaws and initial membership and terms.

CITY MANAGER SUPPORTING INFORMATION:

This request is for City Council approval of Community Planning Committee bylaws and the appointment of initial membership as proposed by the community in order for the Del Mar Mesa Community Planning Board to receive official recognition by the City of San Diego. The Del Mar Mesa is characterized as rural, and the City Council recently adopted a Specific Plan that will regulate development in the Del Mar Mesa with the goal of preserving the rural character of this area while accommodating clustered development and the preservation of open space. A Community Planning Committee that is representative of local interests can assist the City Council, the Planning Commission and the City Manager by providing local citizen participation in the planning process as the Del Mar Mesa develops. With the support of Councilmember Mathis and the City Manager, a Community Planning Committee formation task force comprised of interested representatives from resident, development and landowner interests within the community drafted bylaws according to Council Policy 600-24 (Standard Operating Procedures and Responsibilities of Recognized Community Planning Committees). The draft bylaws provide for a Community Planning Board that is representative of diversified community interests as required by Council Policy 600-24, and the bylaws provide for the composition of the Planning Board to change over time as the community develops.

The Planning Board is proposed to have 14 seats with the provision that the Board may operate with a minimum of 10 members if the Board is unable to fill future positions, rather than the 12 member minimum as specified by Council Policy 600-24. The Del Mar Mesa is relatively undeveloped, and is planned as a community with rural character and a relatively low population. It is expected therefore, that this Planning Board's vacancy rate may exceed the vacancy rate experienced by Planning Committees in Planned Urbanizing Communities. The bylaws also provide for representation of interests beyond the community. These specialized representatives include a community service, recreation and adjacent Planning Board member. The draft bylaws propose that these members be appointed by the Planning Board. The Planning Board would like to be able to solicit candidates with the desired experience, qualifications and enthusiasm to appoint to these board seats. Although the method of filling these seats varies somewhat from the provisions of Council Policy 600-24 which specifies that Community Planning Committee members be elected by eligible members from the community, the Council has recognized Community Planning Committees with some appointed members. This has been done to achieve the primary goal of Council Policy 600-24, that Community Planning Committees be as representative of community demographics and the residents' interests as possible.

Subitem-F: (R-97-982) ADOPTED AS RESOLUTION R-288891

Establishing a Neighborhood Revitalization Superfund;  
Authorizing the transfer of \$67,952 in Gas Tax revenues  
into the Neighborhood Revitalization Superfund;

Authorizing the transfer of \$2,115,048 in TransNet  
revenues into the Neighborhood Revitalization  
Superfund;

Establishing a Livable Neighborhood/Economic Need Fund  
within the Neighborhood Revitalization Superfund, which  
would equally divide \$1.74 million in FY97 funding into  
twelve equal portions of \$145,000 to be used for  
eligible projects in the twelve Livable Neighborhoods  
at the Council District's discretion;

Establishing an "Older Community Fund" (40 years or  
older) within the Neighborhood Revitalization  
Superfund, which would equally divide \$443,000 in FY97  
funding into eight equal portions of \$55,375 to be used  
at the Council District's discretion on projects which  
are not necessarily Community Development Block  
Grant-eligible;

Directing the City Manager to expend the FY97  
Neighborhood Revitalization Superfund revenue in  
consultation with each Council District; and

Directing the City Manager to return to the PS&NS  
Committee with a proposed formula for the future  
allocations of the Neighborhood Revitalization  
Superfund based on the Renaissance Commission and PS&NS  
Committee input.

Subitem-G: (R-97-1026) ADOPTED AS RESOLUTION R-288892

Directing the City Manager to return to the PS&NS  
Committee with a proposed formula for future  
allocations of the Neighborhood Revitalization  
Superfund based on the Renaissance Commission and PS&NS  
Committee input.

PUBLIC SAFETY & NEIGHBORHOOD SERVICES COMMITTEE'S RECOMMENDATION:

On 2/12/97, the PS&NS Committee voted 5-0 to:

- A. Establish a Liveable Neighborhood/Economic Need Fund which would equally divide the FY 97 superfund revenues of \$1.74 million in twelve equal portions to be used for eligible projects in the twelve Liveable Neighborhoods at the Council District's discretion.
- B. Develop an "Older Community Fund (40 years or older)" for FY 97 of \$443,000 which would be equally divided among the eight Council Districts to be used to fund projects which are not necessarily Community Development Block Grant-eligible.
- C. In future Superfund allocations, the Public Safety and Neighborhood Services (PS&NS) Committee would make the decision as to funding priorities.
- D. Direct staff to bring back a proposed formula for future allocations based on the Renaissance Commission and PS&NS Committee input. (Councilmembers Wear, Stevens, Warden, Stallings and McCarty voted yea.)

CITY MANAGER SUPPORTING INFORMATION:

On February 12, 1997, the Committee on Public Safety and Neighborhood Services considered Report PS&NS-97-07 regarding the Neighborhood Revitalization Superfund. The Committee acted as follows:

- A. Establish a 'Livable Neighborhood/Economic Need Fund' which would equally divide the FY97 Superfund revenues of \$1.74 million in twelve equal portions to be used for eligible projects in the twelve Livable Neighborhoods at the Council District's discretion.
- B. Develop an 'Older Community Fund (40 years or older)' for FY97 of \$443,000 which would be equally divided among the eight Council Districts to be used to fund projects which are not necessarily Community Development Block Grant-eligible.
- C. In future Superfund allocations, the Public Safety and Neighborhood Services (PS&NS) Committee would make the decision as to funding priorities.
- D. Direct staff to bring back a proposed formula for future allocations based on the Renaissance Commission and PS&NS Committee input.

In order to implement the PS&NS recommendation, the City Manager recommends that the Council:

- Authorize the establishment of a 'Livable Neighborhood/Economic Need Fund' (30304) and an 'Older Community Fund (40 years or older)' (30305).
- Authorize the increase of El Cajon Blvd. CIP-392090 by \$112,000, by authorizing the transfer of \$565,000 in ISTEPA Program funds to CIP-392090 and authorizing the transfer of \$453,000 from CIP-39-20-90 to the Renaissance Commission TransNet Fund (30300).
- Authorize the transfer of \$1,740,000 into the Livable Neighborhood/Economic Need Fund (30304) from Gas Tax Fund (302191) (\$67,952) and the Renaissance Commission TransNet Fund (30300) (\$1,672,048); and the transfer of \$443,000 into the Older Community Fund (40 years or older) (30305) from the Renaissance Commission TransNet Fund (30300).
- Authorize the City Manager to appropriate and expend the Livable Neighborhood/Economic Need Fund and the Older Community Fund as directed by the Council Districts.
- Authorize the City Manager to return to the PS&NS Committee with a formula for future Superfund allocations.

Adopt the following resolutions:

Subitem-A: (R-97-1392) ADOPTED AS RESOLUTION R-288893

Vacating a street reservation in the North West Quarter  
of the North West Quarter of Section 32, Township 14  
South, Range 3 West, S.B.M. in the Torrey Reserve  
Heights Subdivision, TM-91-0361, in accordance with  
Section 8300 (et seq.) of the Public Streets, Highways  
and Service Easement Vacation Law.

Subitem-B: (R-97-1393 Cor. Copy) ADOPTED AS RESOLUTION  
R-288894

Vacating a drainage easement in the North West Quarter  
of the North West Quarter of Section 32, Township 14  
South, Range 3 West, S.B.M., in accordance with Section  
8300 (et seq.) of the Public Streets, Highways and  
Service Easement Vacation Law;

Authorizing the execution of a quitclaim deed  
abandoning said easement, to AG Land Associates, LLC.

CITY MANAGER SUPPORTING INFORMATION:

The street vacation is being processed in accordance with the  
Public Streets, Highways and Service Easements Vacation Law and  
qualifies for summary proceedings under Section 8330 of the  
California Government Code. Several streets were previously  
vacated in connection with the final map for Torrey Reserve  
Heights Subdivision (TM-91-0361). The subject street reservation  
was inadvertently omitted from the previous Council action (see  
Council Resolution R-285088, adopted 12/6/94). The street

reservation is an isolated segment and is not needed for circulation purposes. Staff review has indicated that the four findings for the street vacation can be made in accordance with Council Policy 600-15. The drainage easement being abandoned was acquired at no cost to the City and the City has no fee interest. Due to a redesign of the project, this easement is no longer needed for Torrey Reserve Heights Subdivision or for any other similar public purpose.

SUBJECT: Awarding a Contract to Hawthorne Machinery Co. and Clairemont Equipment Co. for Lease of Heavy Duty Equipment.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-200) ADOPTED AS RESOLUTION R-288897

Awarding a contract to Hawthorne Machinery Co. (San Diego, CA) and Clairemont Equipment Co. (San Diego, CA) for furnishing leased heavy duty equipment, as may be required for a period of one year beginning July 1, 1997 through June 30, 1998, for a total estimated cost

of \$1,037,848, with options to renew the contract for 4 additional 1 year periods as follows:

1. Hawthorne Machinery Co. - Items 1 and 2 and repairs at an estimated cost of \$850,400;
2. Clairemont Equipment Co. - Item 3 and repairs at an estimated cost of \$109,200.

(BID-P6201/97)

(Two bids received. For use by the Environmental Services Department, Refuse Disposal Division.)

CITY MANAGER SUPPORTING INFORMATION:

The proposed contract is to lease six pieces of Heavy Duty Equipment to be used at the Miramar Landfill by Environmental Services, Refuse Disposal Division. This equipment will replace six pieces of similar equipment which had previously been leased from Hawthorne Machinery, Co., at an estimated cost of \$764,000, and for which the leases have expired. Eighteen potential bidders were contacted and two bids were received. The proposed contract represents a 20 percent cost increase over the previous contract.

SUBJECT: Inviting Bids for the Brown Field Airport Improvements Project.

(Otay Mesa Community Area. District-8.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1234)      ADOPTED AS RESOLUTION R-288898

Inviting bids for the Brown Field Airport Improvements  
Project on Work Order No. 311660;

Authorizing a contract with the lowest responsible  
bidder for the Brown Field Airport Improvements Project  
including additive alternates for additional runway and  
modified asphalt types;

Authorizing the expenditure of not to exceed \$1,089,096  
from Fund 10510, CIP-31-166.0, and \$462,675 from Fund  
10510, CIP-31-167.0;

Authorizing the Auditor and Comptroller, upon advice  
from the administering department, to transfer excess  
budgeted funds, if any, to the appropriate reserves.  
(BID-K97221C)

CITY MANAGER SUPPORTING INFORMATION:

This project will provide for the extension of taxiway "Alpha" to  
the east by approximately 2,300 feet. It will also provide for  
the rehabilitation of runway 8L/26R asphalt pavement surface.  
There are also several alternate bid items for drainage,  
additional paving, and other minor improvements which will be  
awarded if there are sufficient funds. These project  
improvements will improve operations efficiency  
and will provide pavement repair to the runway necessitated by  
standing water and inadequate drainage.

(La Jolla Community Area. District-1.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolutions:

Subitem-A: (R-97-1235) ADOPTED AS RESOLUTION R-288899

Inviting bids for the construction of Sewer Pump Station 22 Improvements on Work Order No. 171681;

Authorizing a contract with the lowest responsible bidder, provided that the City Auditor first furnishes a certificate demonstrating that funds necessary for expenditure are, or will be, on deposit in the City Treasury;

Authorizing the Auditor and Comptroller to transfer \$99,750 within Sewer Revenue Fund No. 41506, from CIP-44-001.0, Annual Allocation for Sewer Main Replacement, to CIP-46-106.0, Annual Allocation of Sewer Pump Restoration, for the purpose of replacing and rehabilitating the concrete sewer mains upstream of Pump Station No. 22;

Authorizing the expenditure of not to exceed \$1,619,750 from Sewer Revenue Fund 41506, CIP-46-106.0, Annual Allocation for Sewer Pump Restoration, and the expenditure of not to exceed \$53,454 from Water Revenue Fund 41500, CIP-73-083.0, contingent upon the adoption of the FY 1998 budget and pending certification from the Auditor and Comptroller, provided that the City Auditor first furnishes a certificate demonstrating that funds necessary for expenditure are, or will be, on deposit in the City Treasury;

Authorizing the Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves.  
(BID-K97216C)

Subitem-B: (R-97-1237) ADOPTED AS RESOLUTION R-288900

Authorizing the use of City Forces to make connections and perform operational checks involving the construction of Sewer Pump Station 22 Improvements; declaring that the cost of the work shall not exceed \$16,454.

Subitem-C: (R-97-1236) ADOPTED AS RESOLUTION R-288901

Certifying that the information contained in Mitigated Negative Declaration DEP-94-0664 and Addendum to the Mitigated Negative Declaration LDR-96-7361, has been completed in compliance with the California Environmental Quality Act of 1970 and State guidelines, and that the Declaration and Addendum reflects the independent judgment of the City as Lead Agency, and that the information contained in the report, together with any comments received during the public review process, has been reviewed and considered by Council in connection with construction of Sewer Pump Station 22 Improvements;

Finding that the project revisions now mitigate potentially significant effects on the environment previously identified in the Initial Study; approving the Mitigated Negative Declaration and Addendum;

Adopting the Mitigation, Monitoring and Reporting Program, or alterations to implement the changes to the project as required by Council in order to mitigate or avoid significant effects on the environment.

CITY MANAGER SUPPORTING INFORMATION:

The purpose of this project is to minimize maintenance of the 47 year old sewage pump station and eliminate the potential overflow of raw sewage into the Pacific Ocean. Sewer Pump Station No. 22 was built in 1950 and is located at 102 Fern Glen in the La Jolla Community Area. It is bounded by single family residences to the

east and Windansea Park to the north, south, and west. The project includes replacement of the existing pumps, expanding the wetwell, a new electrical and control system, new telemetry system, and a ventilation system. In an effort to improve reliability, the project includes a secondary power source, overflow storage tank and 1,350 feet of 8-inch secondary force main that runs along Fern Glen. To meet the Department of Health Services requirements for separation of water mains and force mains, 300 feet of the 6-inch water main along Fern Glen will be replaced with an 8-inch pipe along a different alignment. In addition, the replacement and/or rehabilitation of 500 feet of old and deteriorated concrete sewer mains upstream of the pump station will be replaced in this project. City staff attended several community meetings to brief the community about the project, to solicit their input, and to ease their concerns. In addition, several meetings were conducted with the residents surrounding the pump station to solicit their input. The residents will be notified by mail at least one month before construction starts by the City and ten days before construction by the contractor. Construction will be limited between September to May.

Authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$958,950 within Fund No. 41508, from Metropolitan Wastewater Department, Operations and Maintenance Division, Program Element No. 7771002352350 (Central Support Facility), Object Account 4220, to CIP-40-922.0, Metropolitan Operations Center Expansion; and to further transfer an amount not to exceed \$754,456 from Fund

No. 41506, CIP-46-196.0, Maintenance Facility Relocation, to Fund No. 41508, CIP-40-922.0, Metropolitan Operations Center Expansion;

Authorizing the Auditor and Comptroller to transfer excess budgeted funds, if any, to the appropriate reserves on advice of the administering department.

CITY MANAGER SUPPORTING INFORMATION:

This project is for improvement of the Metropolitan Wastewater Department Central Support Facility in Kearny Mesa. This project will begin in May, 1997 and will be completed in October, 1997. This project at 9191 Kearny Villa Court will provide for the build out of a Central Repair Facility, Centralized Warehousing, 6,000 square feet of office space, locker room facilities, training room, electrical shop and store room #64. This project also includes upgrades to the electrical service and installation of telephone and data equipment and furnishing for the facility. This work will be performed by the Job Order Contract. Construction management will be performed by MWWD Program Management Staff.

SUBJECT: Reclaimed Water Distribution System - Sorrento  
Valley/Carroll Canyon Subsystem.

(Mira Mesa Community Area. District-5.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-97-1423) ADOPTED AS RESOLUTION R-288903

Authorizing the City Manager to execute a contract with Schlumberger Industries, Inc. for construction of the Reclaimed Water Distribution System - Sorrento Valley/Carroll Canyon Subsystem, provided that the City Auditor first furnishes a certificate demonstrating that funds necessary for expenditure are, or will be, on deposit in the City Treasury;

Authorizing the Auditor and Comptroller to transfer \$500,000 within Fund No. 41500, from CIP-70-941.0, Annual Allocation for Reclaimed Water Retrofit System, to CIP-70-934.0, Sorrento Valley/Carroll Canyon Subsystem;

Amending the amount of \$3,850,000 previously authorized for expenditure on this project from Fund No. 41500, CIP-70-934.0, in Resolution No. R-288445, adopted on March 17, 1997, to an amount not to exceed \$4,463,227; and the expenditure of the amount is authorized as follows: \$4,269,277 from Fund No. 41500, CIP-70-934.0, Sorrento Valley/Carroll Canyon Subsystem to fund the project's construction and related costs; and \$193,950

from Fund No. 41500, CIP-70-942.0, Annual Allocation Reclaimed Water Pooled Contingency, to fund the project's contingency, as needed, for CIP-70-934.0, Sorrento Valley/Carroll Canyon Subsystem.

CITY MANAGER SUPPORTING INFORMATION:

The Northern Reclaimed Water Distribution System will convey reclaimed water produced at the North City Water Reclamation Plant (NCWRP) to approximately 300 customers. This distribution system has been divided into eight construction packages to maximize the participation of the local contractors. The Sorrento Valley/Carroll Canyon Subsystem is one of the eight packages. The main transmission pipeline is approximately 11,900 feet long. An 18-inch pipeline will commence at the terminus of the Miramar Road Subsystem (Package 2) at the intersection of Miramar Road and Production Avenue. The main line (starts with 18" then tapers to 10" diameter) will proceed north on Production Avenue to Carroll Road, then continue westerly on Carroll Road, ending approximately 2,000 feet west of Pacific Heights Boulevard on Carroll Canyon Road. Smaller distribution pipelines consist of approximately 29,300 feet. The project is included in the Interim Order issued by the U.S. Federal Court. The Environmental Impact Report and the adoption of the Mitigation Monitoring and Reporting Program was approved by the City Council Resolution No. R-286603. The advertisement and award of this contract was adopted by City Council on March 17, 1997 under Resolution No. R-288445. This construction contract was advertised for bids on March 6, 1997. The bids were opened on May 1, 1997. The lowest responsible bidder is Schlumberger Industries, Inc., of Santa Fe Springs, CA with a bid amount of \$3,879,000. This action is being processed to increase the funding originally requested and authorize additional expenditures for the Sorrento Valley/Carroll Canyon Subsystem and to award the construction contract to Schlumberger Industries, Inc.

OTHER RECOMMENDATIONS:

Planning Commission voted 4-0 to approve.

Ayes: Neils, Butler, Skorepa, Watson  
Abstaining: Anderson  
Not present: White, Quinn

The Carmel Valley Community Planning Board reviewed the Neighborhood 10 Precise Plan Amendment at their meeting of June 10, 1997. The Planning Board did not recommend approval of the project. By a vote of 11-0, with one abstention, the Planning Board concluded that the Neighborhood 10 Precise Plan Amendment will result in a worsening of traffic impacts, that proposed mitigation for the project is inadequate and that there should be a cost/benefit analysis done for the project.

SUPPORTING INFORMATION:

The project proposes to amend the Progress Guide and General Plan, the Carmel Valley Community Plan and Carmel Valley Neighborhood 10 Precise Plan to add 128 single-family residences and designate an equestrian/hiking trail and to provide for a proposed 128 additional residential lots along with rezoning the 19.5 acre area proposed for the new houses from OS-Open Space to SF2 and SF3-Single Family Residential in the Carmel Valley Community Planning Area.

LEGAL DESCRIPTION:

The project is located in the southeastern portion of the Carmel Valley Community, between State Route 56 and the Los Pe asquitos Canyon Preserve and is more particularly described as including portions of Sections 20, 21, 28 and 29, T14S, R3W, SBM.
